

INFORMATION

WHAT IS AN INTEGRATION COURSE?

In an integration course you learn German with the goal of achieving B1 (CEFR). You also learn facts about the history, culture and legal system of Germany.

Structure of the integration course:

- > Language course with 600 CUs (course units, 1 CU = 45 minutes)
- > Orientation course with 100 CUs

In addition to general integration courses, there are special courses, e.g. for young people or people who cannot read or write.

WHO CAN TAKE PART?

Foreigners with a residence permit and Germans with an immigrant background can take part. You need a participation requirement from the immigration services or the Jobcenter. Citizens of the European Union (EU) as well as people in an ongoing asylum process can also apply for authorisation to take the integration course and can take part if there are free course spaces. Languages institutes will help with the application.

WHERE CAN I FIND INTEGRATION COURSES?

- > BAMF Navi: <https://bamf-navi.bamf.de/de/>

COSTS FOR THE INTEGRATION COURSE

Eligible immigrants pay approx. 229 euros per 100 CUs.

Once the B1 test has been successfully passed, half of the amount is reimbursed upon request.

REQUEST FOR REIMBURSEMENT OF COSTS

On request, taking part in the integration course is free for:

- > People that receive unemployment benefit I, citizen's benefit, social assistance, housing benefit, child supplement, BAFöG (student grant) or income under the German Asylum Seekers Benefits Act
- > People that are exempt from paying nursery fees or TV licence fees

Languages course providers will help with the application. Some travel expense allowances may be paid.

WHAT HAPPENS NEXT?

Once the integration course has been successfully completed, there is the option of taking part in a professional language course.
