

ONLINE CONSULTING ON GERMAN LANGUAGE CLASSES

WOULD YOU LIKE TO LEARN GERMAN?

Our new online video consulting service is a new tool for citizens of the Heilbronn district (Landkreis Heilbronn) to answer all kinds of questions about German language courses.

During an individual video consulting session, we will jointly check your options for learning German and discuss your next steps.

- Please note that we do not issue certificates of eligibility (Berechtigungsscheine) for integration courses. To obtain those, please contact your Immigration Office (Ausländerbehörde) or Job Center (for clients only). EU-citizens may turn to the respective integration course provider for help with admission to a specific course.
